Presenting our judging line up for our
Winter Follies Show

Ring 1 All Breeds

Lisette De Landtsheer Belgium

I started in the Cat Fancy in 1980 with a Silver Classic Tabby Persian « Orelie ». There was a cat show not far from my home and I decided to show Orelie.

She did verywell and I started breeding and showing Silver Persians (Tabbies, Smokes, Shaded Silver and Chinchilla) adding a few years later Himalayans (silver and chinchilla points).

From 1981 up to 2008 I was General Secretary of the CFB, the most important cat club in Belgium and started with the first TICA club in Northern Europe in 1992 (Belgium Cat Lovers).

However I was still very busy with breeding, showing, and organizing shows, I decided to apply as a traditional Judge (1991) and a couple of years later as TICA Allbreed Judge (1999).

Now I am TICA Ring and School Instructor, licensed WCF and LOOF judge as well.

I am travelling all over the world judging for several associations, meeting very nice people, judging beautiful cats, discovering other cultures and some new cat breeds as well. I love judging different systems. There is always something to learn.

When ... I am not judging, I enjoy gardening, cooking and listening music.

Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.
