Presenting our judging line up for the Shining Stars 2016

Ring 1 All breeds
Lynne Sherer
TICA USA

I have been a cat lover all my life. When I was a child, I brought home strays until my father said "Four is enough". I told him that when I grew up, I would have as many cats as I wanted! My first cat as an adult was a half Persian mix. Later I bought a Himi pet. In 1971 I read an article about the Maine Coon Cat and decided that was the breed for me. Two years later, I visited a MC breeder "just to see them in person" and, of course, brought a Maine Coon home. In 1975, I got a breeding pair and had my first litter in 1976. I have bred and shown Maine Coons for 40 years - winning many regional and international awards in TICA. My cattery name is Calicoon because I lived in California when I first registered my cattery name (Cali + coon) not because I specialized in calicos.

In 1984 I started training in the TICA judging program and began judging in 1986. I showed an OSH for an opposite hair length cat. I also showed several BSH's and had one litter of BSH kittens. Two of my Brits received top regional awards in the Great Lakes region when I lived in Chicago in the 1980's. I moved to Memphis in 1999 and live with Beth Hicks who also was a TICA judge and Maine Coon breeder for many years.

In my personal life, I am a registered nurse and work on a cardiac floor. I am semi-retired and only work part time now. I have one son; he and his wife have three grandchildren for me to spoil.

I have had the opportunity to travel to many places during my showing and judging career but this is my first visit to Australia. I look forward to meeting the people and cats Down Under.
