Presenting our Judging line up for our  
Finale Show 2016

## Ring 1 All Breeds David Scadden NZCF

*My wife Jacqui & I have been retired from the breeding game after breeding Birmans under the Magwai prefix since 1985. We both originate in the Wairarapa in the sunny South Eastern part of the North Island of New Zealand.*

*We moved to Rotorua, in the Bay of Plenty in 2008. One of the major tourist destinations in the country, the scenery is striking and we are very central to other cities and other beautiful destinations.*

*Our other great love are our Bengals, which we originally imported into the country in 1996 and breed successfully under the LapLepid prefix. We have a new grandson and a number of desexed Birmans and Bengals to keep us pretty busy. Other interests include good wine, genealogy, music and Ford Capri's. I started judging in 1992 and reached the status of All Breeds in 2005, learning a great deal about all aspects of felines along the way.*

*I really enjoy judging and try to talk to and educate the spectators as much as possible on the various breeds. I feel that a cat show has to be entertaining and informative. I enjoy meeting fellow cat fanciers from around NZ and other parts of the world. I have had the privilege of judging all three National shows in Australia and New Zealand over the few years and would love to be able to judge felines in other countries in the world.*

## Ring 2 All Breeds Sue Ford NZCF

*Hello and thank you for inviting me to judge at your December show.*

*I completed my short hair judging in 2004 and couldn't resist getting involved with the Long hairs completing my exams in 2010 for NZCF .to be an All breeds judge.I have been fortunate to attend shows in the USA and England to observe a very different style of judging.In 2015 I judged in Perth,Melbourne, Adelaide, Brisbane and Sydney .This year I judged again in Sydney so it is a pleasure to return to Sydney at the end of the year.*

*Judging for me is a professional but fun job and I am mindful that every cat is special no matter where they are placed on show day.*

*My first interest in pedigrees started with two Siamese.*

*(the apple headed variety ) .No surprises this lead me to my first real show cat which was a brown Burmese. Burmese have remained my love and I have had some delightful and successful cats over the past 20 years of breeding.I have dabbled with Burmilla and would enjoy owning a Norwegian Forrest cat - maybe in the future. .*

*I live on a lifestyle block in the North Island near Hamilton with cattle, cats, and my husband Rob.We both continue to do secondary school teaching when not enjoying food and wine with friends or travelling .My other interests are live theater, movies, gardening, reading and of course raising beautiful kittens to go to happy homes.*

# Want to know more about your Petinsurance.com.au ANCATS policy?

## **WHY PETINSURANCE.COM.AU?**

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

## **WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?**

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

## **WHAT IS DEFINED AS AN ACCIDENTAL INJURY?**

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

## **WHAT IS DEFINED AS AN ILLNESS?**

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

## **HOW DO I MAKE A CLAIM?**

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

## **WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?**

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

## **WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?**

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.
