Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.

AUSTRALIAN NATIONAL CATS INC

JUNIOR HANDLERS PROGRAM

Australian National Cats Inc has been presenting its Junior Handlers program for several years now. This program has extended into most states of the country and we are currently working with our interstate representatives to include children nationwide. We don't stop there.

ANCATS has always had a positive and encouraging attitude towards its kids. We include the children in as many areas of cat showing, breeding and general cat care as we can and to this end, have developed a Junior Handlers Program, which is world class.

This program optimises the opportunity for children to learn about the many aspects of cat showing, breeding, judging, and responsible cat ownership, while encouraging the possibility of a life long interest in the cat fancy for the future. At ANCATS, we believe it is vital to encourage the next generation of cat lovers into the wonderful world of cats. Responsible cat ownership and care, showing, breeding and the cat fancy at large. The future of the Cat Fancy depends on our kids.

We will cover many topics in the course of the year. Some of these are topics are:

1. Winning with respect, losing with grace
2. Public Speaking
3. Safety. My cat, the public and myself.
4. Getting ready for a show, show entry deadlines, presentation of awards, what to wear, how to behave.
5. Confidence, what does that mean? Nerves, how to deal with them! Mistakes, are they useful?
6. The Standard and my cat.
7. Public presentations away from home. Expo, Special events and Information days.
8. Hands on. Practising a presentation, grooming, handling and speaking.
9. Responsible cat care. Health, feeding, housing and other comforts.
10. and many more.

AUSTRALIAN NATIONAL CATS INC

The ANCATS Junior Handlers Program is a first in this country and it has been developed by an experienced team of people who have either worked with children, have had experience with Group work and program development or have years of experience with Cat showing/ Breeding/ Judging both in Australia and Overseas, Management skills, Legal skills, Technology skills; all of which have produced a program second to none. The following objectives have been met.

1. Developing a program of learning relevant to children.
2. Incorporating extensive knowledge of cat breeding, showing and care
3. Providing a supportive structure in which to run the program. This incorporates the appointment of a trained group leader who will be responsible for the program and who will facilitate the training of new group leaders for future needs. The shows run by Waratah provide the 'learning ground' for the children and the members of the club support the program.

As you are aware, recent research confirms the declining numbers of cats and cat ownership in Australia. One of the ways in which this problem can be addressed is to encourage youngsters to take up cat ownership. ANCATS is the only National organization equipped to turn around this decline in the cat fancy. We have a national presence, we are the only cat organization in Australia with a junior handlers program and we have dedicated people with professional skills running the program.

We would love to talk to you about what we are doing and we invite you to give us a call to discuss ways in which your involvement with us can significantly help to turn around the decline in cat ownership in Australia.
