PRESENTING OUR INTERNATIONAL JUDGES

Victoria L Nye CFA Ring 1 All Breeds

I have always been an animal lover and actually started my breeding and showing with Saint Bernards in the dog fancy, and eventually became a licensed handler.

I began breeding Persians in 1978 under the cattery name of WINDBORNE in the Cat Fanciers Association, concentrating on whites and dilute solids.

I achieved my first National Win with a Copper Eyed White Female, who was 5th Best Cat in 1979. In the next 15 years I bred 38 Grand Champions/Grand Premiers, and 14 National Winners, including 4 Kitten of The Year awards. I have been a CFA licensed Allbreed judge since 1983, and have been honored to travel the world meeting new friends and judging incredible cats. I have judged the CFA World/International/Invitation show 9 times, in addition to guest judging for Fife and various organizations in Australia and New Zealand. My first judging experience in Australia was in 1996 where I judged on the Gold Coast and also in Sydney for Waratah, making lifelong friends and memories. In addition to Persians-Solids and Bicolors, I also bred and showed Abyssinians and Exotics.

I have worked for Bank of America for 40 years and am currently a Senior Credit Specialist in the Large Corporate market. My husband and I were engaged shortly after my first visit to Australia and we have been married for 20 years, living in the lovely coastal community of Prunedale, California. We enjoy camping, kayaking, gardening, DIY home projects, and living with our three Cavalier King Charles Spaniels in addition to our 4 cats (3 senior Persians and a rescue shorthair). In my "spare" time, I enjoy needlepoint, and on these long airline flights, I have time for that hobby!

PRESENTING OUR INTERNATIONAL JUDGES

Sharon Kalani TICA

Ring 2 All Breeds

Sharon has responsibly bred and shown Bengals in The International Cat Association (TICA) since 2002. Along with her daughter, Tatyana, they were instrumental in getting the silver Bengal accepted into championship status in TICA, showing the first and only silver Bengal to International and Lifetime Achievement Award status.

She has also shown an International Award winning Somali and a regional winning Singapura, along with several region-winning Bengals and Household Pets. Sharon has enjoyed conditioning and agenting other breeds such as Siamese, American Bobtails, Sphynx, and Persians. In 2006, Sharon received the Southwest Region Member of the Year award.

Sharon wrote the rules for approval, presenting them to the TICA Board of Directors, for the TICA Junior Exhibitor Program, which she mentored for many years. In 2012, Sharon was licensed as a judge with TICA, and was the Southwest Region Judge of the Year in 2015. Her goal when judging is to treat each cat with respect and to make the cat look its best. Most importantly, she works to be informative to the exhibitors and spectators, and enjoys mentoring trainees in the judging program

Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.
