Penrith RSL Club is committed to serving our community and to deliver a venue which provides an enjoyable and safe experience for all our members and visitors.

With the current uncertainty regarding COVID-19 and the Omicron variant and after consultation with many club members, Penrith RSL Club have decided to maintain the mandatory vaccination entry policy, currently in place, after 15 December.

This decision will allow our members peace of mind when visiting the club. As always, the safety, wellbeing and peace of mind of our members, guests and staff is our number one priority and at the forefront of our decisions.

All staff, members, guests and contractors will need to continue to show proof they are fully vaccinated, or have a medical exemption, and QR Code Check In before they are allowed entry. This policy includes patrons visiting our partner businesses – Star Buffet, Maze Grill & Café, Monkey Mania and Hair Affair.

The club will maintain the numerous procedures implemented to lessen the impact of COVID-19 transmission and monitor the information disseminated from NSW Health and Clubs NSW.

Penrith RSL will and reassess this decision at a later date with the best interest of our Penrith RSL community.

We thank you for your diligence and continued support.
