Presenting our International Judges

Kurt Vlach Vienna, Austria

I am now 57 years old. I was born and still live in Vienna/ Austria. I am married to Tomoko and work as a Business Analyst and Project Manager for an international Bank Group.

ACTIVITIES IN THE CAT FANCY

I started showing in 1991 in FIFe. After some successful years as a breeder (Maine Coons –my cattery-name in FIFe is “Skywalker”) and exhibitor, including having bred one FIFe-World Winner, I moved to TICA. I founded the first Austrian TICA-Club in 1996 (Blue Danube Cat Club) and have been involved in various positions within TICA since then.

I served for three years as a Board Member on different occasions, helped founding TICA-clubs all over Europe etc. I became TICA-Judge in 1999 –therefore this year is my 20-year-anniversary as a judge.

Since then I had the honor to judge for a lot of different associations and had the chance to handle beautiful cats all over the world on all continents. My travels took me from mainland Europe to the UK, to Russia, Israel, South-East Asia, South America, South Africa, US, Canada, Japan, China, Australia and New Zealand. And after all these years I still learn something new at every show –this is one of the really exciting things.

I was-as mentioned above –breeding Maine Coons for many years and also had a litter with Siamese and Oriental Shorthairs. Furthermore I shows a Bengal, Burmese, Tonkinese and Household Pets. Household Pets are actually the cats which are my favorites. As long as I love my Maine Coons, Burmese etc. –a beautiful HHP can melt my heart and make me cry. This is at every show for me one of the highlights...

Hobbies –Art, Music (Opera, Jazz, Rock, Baroque, Renaissance), Reading

I feel honored to have the chance to come back to Australia for a fourth time. Last time, in 2014, it was the first time I had the chance to travel your country with my beloved wife – and together we also took the chance to spend a couple of days for another hobby of ours –wine. We love Australian Shiraz and again we will not be only focused on your beautiful cats, seeing old friends, making new ones –but also spend some quality time with serious wine-tasting!

I look forward seeing you at the shows

Tomoko Vlach Vienna, Austria

I am Tomoko Vlach –I was born in Nagoya/Japan (this is the city where Toyota-cars come from). My maiden-name was Tanaka.

I moved to Vienna/Austria 10 years ago and just a couple of weeks ago had my 10-year-Wedding Anniversary I still have the chance to visit Japan quite often as I am asked very often by breeders to transport cats from Europe to Japan –I became a real expert on this!

I became involved in the cat fancy when I was quite young as my aunt was the secretary of Japan's oldest cat club, the All Japan Cat Club. She is still showing and breeding –and the club is now more than 50 years active!

I became a TICA-Judge in 2000 and also hold a WCF-Allbreed License since 2010. I am very happy that many clubs all over the world ask me to judge –it is always an honor for me and I try to do my best to be a fair and honest judge. The breeds I worked with were Siamese and Orientals, but I also had a Persian at home and Household Pets.

I will be judging in Australia now for the third time and was always very impressed by the cats which are shown. I especially remember the great Abyssinians, Somalis and Birmans I could judge. And of course I love the Burmese from your country! As we have at home two Burmese it is always very special for me!!!

If I am not working within the cat-fancy I like to travel. I am now an Apprentice Judge for Betta Splendens (Siamese Fighting Fish). We breed them at home and also successfully show them. I hope to become a Betta-Judge in maybe two years! Furthermore we also have some tanks with show-shrimps. We have quite a few tanks at home with all different kinds of species!!!

Another hobby of mine is making nice cat-beds and cat-toys filled with cat-nip! The cats and their owners love them !!!! Oh –and I love to drink wine and beer!!!

So –I hope that you will be happy with my judging! If you have any questions please do not hesitate to ask!

Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.
