PRESENTING OUR INTERNATIONAL JUDGE

Klaas van der Wijk

Ring 1 All Breeds

Sue Wye Memorial Ring

I was born in the North of the Netherlands in the province named Friesland. Friesians are a little bit different from the other Dutch people. We speak Dutch; however, we have our own language too. Many of you will know the famous black and white cows bred in Friesland.

I am married to Addy Perey; it is the second marriage for both of us. Every year Addy and I go to north Italy for country skiing. I am not much of a sportsman, but I like that type of sport very much. My favourite colour is blue and I am always looking for blue flowers for my garden.

I was trained as a teacher and as a speech-therapist, and I worked with disabled and deaf children in a school in Amsterdam. I am now retired. Because I am trained as a speech therapist I love human voices and specially those of trained singers.

I love opera and I saw several operas in Amsterdam and in Russia. I think that the East European opera singers have wonderful voices.

Since I was a child, I have always had domestic cats. In Amsterdam, I lived in small rooms, but I promised myself two Siamese cats when I should have my own house. In 1965, I got my first pedigree cat: a Siamese female. This cat was from a family who wanted to go on holidays and did not want her anymore! I was very happy with her and I thought that she was the most beautiful Siamese in the world. Because I wanted to have two Siamese cats, I decided to breed with her. As I arrived at the house of the stud owner, I saw a really beautiful Siamese and I decided to buy this beautiful cat. The breeder sold me a blue point Siamese kitten. It was the best kitten from the litter and she asked me to go, one time with the kitten, to a cat show. A year later, I went to a show and my kitten was Best Siamese! Since that moment, the "cat-world virus" came into my life. I started to breed cats, helped to organise shows, worked as a steward at shows and so on. As you all know, the cat world is a way of life!

In 1974, I started as a pupil judge. In 1976 in France, I completed my first judging examination in Siamese and Abyssinians. In 1986, I completed my examinations and became an all-breed judge. In the meantime, I bred, beside Siamese and Abyssinians, British, Orientals, Somalis and Colourpoint Persians. Now, I am no longer a breeder, but my dream is to have once again a mother cat with her babies in my house. It does not matter what breed it will be. Even a litter of domestic cats would make me very happy.

I have judged in several countries in Europe: Ukraine, Russia, Israel, England, and Cyprus, as well as Brazil and Australia [1992, 2004, 2007, 2013] and in New Zealand [2004 and 2007]. I love New Zealand and Australia very much and if I was younger I would not hesitate to move DOWN UNDER. I look forward to meeting you all!

Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.
