Want to know more about your Petinsurance.com.au ANCATS policy?

WHY PETINSURANCE.COM.AU?

The reality is that at some time in your cat's life they are going to need veterinary treatment. And as most pet owners know, vet bills can be expensive, in some cases costing thousands of dollars. Whether it's for a general check-up at the vet or for something more serious, Petinsurance.com.au can help provide you with financial assistance and the best care for your pet/s when they need it most.

WHAT IS COVERED UNDER THE 2 MONTHS FREE CAT COVER?

You have the option of selecting either the Accident and Illness or Accident Only policy. We will pay you 80% of eligible vet expenses incurred by you for treatment provided during the policy period (up to \$10 000) as a result of an illness or an injury or as a result of an accident, depending on your policy.

WHAT IS DEFINED AS AN ACCIDENTAL INJURY?

An accidental injury is an unforeseen event that results in visible, physical or bodily injuries to your pet. For example: broken bones as a result of cat fights, or injuries resulting from a motor vehicle accident.

WHAT IS DEFINED AS AN ILLNESS?

An illness means an unexpected sickness or disease or any change to your pet's normal healthy state which is not caused by injury to your pet.

For example, upset stomach, skin conditions, ear infection, poisoning.

HOW DO I MAKE A CLAIM?

When you activate your '2 months free' cover, you will be able to register for our secure pet portal, where claiming is easy - simply upload a copy of your vets tax invoice and consultation notes. If it is your first claim, you will need to attach a full veterinary history. You can call our friendly customer service team on 1300 855 663 for claim forms if you do not have access to customer portal.

WHY DO I NEED TO COMPLETE MY BANKING DETAILS IF THE POLICY IS FREE FOR 2 MONTHS?

Even though the ANCATS offer is '2 months free' cover, we will need your banking details to complete the electronic application process. This is a standard process that does not change with free cover and ensures that in the event of a claim, we have your bank details in which to refund you your vet bills. Rest assured, no premiums will be deducted from your account unless you choose to continue paid cover with us.

WHY DOES THE PROCESS GIVE ME A PREMIUM AMOUNT?

The process is our standard online application process and provides you with a quoted premium amount in the event that you choose to extend your cover with us. You will not be charged this premium unless you provide us with permission.

FIP CATS AUSTRALIA

'HELP FIGHT THE FIGHT!'

Feline Infectious Peritonitis (FIP) is no longer the death sentence it once was, since late 2021 in Australia there has since become legal treatment options.

FIP Cats Australia aims to educate cat owners, rescues, breeders and those in the veterinary services of the most recent upto date treatment options in the hope of ending the needless suffering of cats in Australia.

About us

FIP Cats Australia is 100% volunteer run, registered ACNC charity throughout Australia. We aim to educate the community about FIP, available treatment options and where funds permit supply grants to those who would otherwise be unable to afford veterinary services &/or medication.
